Digital Improvers Stage 1:

Devices, Internet, Apps & Communication

**Do you have
some basic
digital skills?**

**Would you like to
develop more
confidence?**

If you have some basic digital skills already, this course will take your skills further. Suitable for those who studied Digital Basics Stage 1, 2 & 3, or who have an equivalent level of skills.

- Learn more about laptop and smartphone settings
- Explore emails, messaging apps & video calling
- Get to know social media
- Discover new apps & tools for daily life
- Refine your web searches for better results

Courses are FREE. Come and enrol on the first day to guarantee your place (latecomers may have to wait!)

When you finish this course, you can progress to Digital Improvers Stage 2: More Creating & Editing.
